**ELECT
WENDALL QUINTYNE
for
APOC
GATEWAY OFFICE VP**

To all APOC members of Gateway Office, I am running for APOC office at Gateway in the upcoming Elections and I am asking for your Vote to be the Office APOC VP.

Currently I work out of the Gateway RVU as a Supervisor on shift 2, and recently was the Office VP for South Central over the past Six (6) years. During that time as VP for SLPP I have manage to get a lot of APOC issues resolved at SLPP as far as **Staffing**, Acting assignments, **PIPs** or interviews. I have managed to get everyone back to their substantive positions or have the positions filled permanent.

I was also a Representative at Gateway for over eight (8) years and active in APOC for the past Fourteen (14) years. No issue is too small for me to deal with or try to have it resolve. We need a change in APOC leadership at Gateway and across the Branch; this is the time to do something about it. Please exercise your right to vote and Vote for Wendall Quintyne.

Thanks and together we can make things better at Gateway.
