

APOC Elections York Division:

Jeff Paulin For APOC President 2013

Why vote for me?

I SAY WHAT I MEAN...AND MEAN WHAT I SAY

Like many of you, I have been very disappointed / frustrated with the lack of action, poor communication, and inadequate representation from our Local/York - APOC President. Our APOC Executive team can only be as good as their leader inspires.

As an APOC member I have attended the majority of the general meetings. These past 6-years (2 terms), I have found these meetings to be unproductive, non-committal, uninformative; and at times even insulting. The poor attendance of the membership at these meetings is justified.

As your President I will take action, keep you informed and ensure that our collective voices are heard. That as APOC members we are all treated with respect.

I will respond and bring every idea forward in a democratic manner. They may not like what they hear, we may not get everything we want; but your voice will be heard.

As your APOC President I will bring information to your attention using technology to seek your opinion and your input. Let's join today's technology to make York-APOC more effective and representative.

WE NEED A PRESIDENT THAT WILL BE:

- ANSWERABLE TO YOU.
- ACCOUNTABLE FOR THE ACTIONS OF THE YORK APOC EXECUTIVE
- ABLE TO LISTEN, INVESTIGATE AND TAKE POSITIVE ACTIONS WHEREVER POSSIBLE FOR THE BETTERMENT OF THE INDIVIDUAL AND THE COLLECTIVE MEMBERSHIP.
- COMPASSIONATE, KNOWS YOUR CURRENT STRUGGLES INCLUDE: APOC STAFFING, VACATION, GWL, STDP ABSENCES AND NO HELP OR COVERAGE! WHAT IS BEING DONE? WE CONSULT, AND THEN WE GRIEVE, THEN WE ARBITRATE. CONSULTATION IS 1 OR 2 MEETINGS, NOT 6 MONTHS OR A YEAR LATER!
- A PRESIDENT WHO WILL WELCOME THE NEW APOC HIRES AND EMBRACE THEM INTO APOC. SUPPORT THEM IN THEIR DAY-TO-DAY WORKLIFE. ENSURING A HOME/WORK LIFE BALANCE...

I WILL BE THAT PRESIDENT

I HAVE TAKEN ON THE CORPORATION SEVERAL TIMES AND WON.

GIVE ME YOUR VOTE AND I WILL WORK TIRELESSLY WITH, AND FOR YOU.
