

Vote for Sandra Burgess As President

Fellow members, I am asking for your vote and support to become the President of the APOC York Divisional Branch.

I strongly believe as organized APOC members as long as we continue to work together as a team we will achieve and surpass all our objectives. This will be one of my highest priorities when I am elected as your President.

As an APOC member since 2001, I have had the opportunity to be the Branch Tyler, Branch Officer and Area Representative. My tenure as a Team leader in all aspects of the Delivery and SLPP operations and functions have prepared me with the experience to deal with matters and to bring about effective and successful resolutions for APOC members. With this experience and extensive knowledge I am confident that I will, without a doubt, be a good and exceptional President in the York Branch. To all of my Colleagues with whom I have had the opportunity and pleasure to work and interact with over the years in both offices and beyond, I am seeking your vote in this election.

Most of you are aware of my work ethic, energy, collegiality, commitment and my overall genuine concern for all APOC members. I promise you all that I will bring this same enthusiasm, drive and effort with me to the position as your Branch President. For the members who I have not had the pleasure of working with, I promise to bring a novel approach to the position that will transform the Branch to a level of excellence that we have never seen in the past. I am willing and committed to work to the best of my abilities to bring about some needed changes to the Position. Nothing is impossible if we work together, we will encounter challenges, but with my leadership and your support we will overcome. We do not want another three years of apathy and nepotism that has plagued us in the past. We have to stand together, for change Vote Sandra Burgess for President.

Thank you in advance for your support.
